See my shadow? Yes.

It looks like me, but it isn't me.

Ever smoked "bundle" cigarettes?

They may look like Helmar - but law me! they don't taste like Helmar.

They can't - for they only have a "dash" of Turkish in them—and Helmar is 100% pure Turkish—the Mildest and Best tobacco for cigarettes.

We are talking plain—but it's the Truth.
